## *Outside* the Classroom

- **Organize your tasks** with a planner
- **Use campus resources** for guidance
- **Start a study group** to help yourself and others
- **Get involved** to discover new ideas and opinions

## *Inside* the Classroom

- **Use the syllabus** and **prepare for class**
- **Participate** in class and **ask questions**
- **Seek help** and **know instructor's office hours**

Ask how **we can help**
